

MITCHELL R. MAROSTICA

922 Comanche Avenue, Fort Morgan, CO 80701 Cell: 719-342-0900
marosticam24@gmail.com

Professional Experience:

Petroleum Landman for the last 7 years running mineral and surface title for several broker oil companies. Prior to being a land agent, I worked for a heating and air conditioning company for a couple summers while in high school. I also operated machinery, combines, tractors and grain carts for farmers during harvest seasons during the summer. I'm looking to learn and experience other jobs. I'm a fast learner and always wanting to learn more.
